

ESH 2022

Dear Colleagues,

We are really honored and in the same time excited to address you this cordial invitation to attend the 31st Scientific Meeting of the European Society of Hypertension (ESH) on “Hypertension and Cardiovascular Protection”, which will be held in Athens, June 17-20, 2022.

The 2022 Annual Athens Meeting is the first ESH Hybrid Meeting and provides the possibility of onsite as well as online participation, aiming to meet the needs of all colleagues from around the world. The Meeting draws its attention to “Hypertension and related comorbidities” including diabetes mellitus, coronary artery heart disease, stroke and heart failure. On that note, we aim to develop a Meeting designed for your clinical practice to support optimal management of the hypertensive cardiovascular patient.

The scientific programme consists of multiple State-of-the-Art Lectures, Debates and Round Tables, and Live Cases on issues of major current clinical interest, targeting enhanced interaction with both digital and physical audience. The Meeting will be an integrated scaffold of learning, sharing knowledge and breakthrough science. Drawing on past meetings, the

program will include, How-to,

Meet the Expert and Clinical case sessions, as well as special sessions reserved to hypertension specialists and ESH Excellence Centres.

The ESH meeting will be held in the Megaron Athens International Conference Center, located in the city centre of Athens.

With Athens being the epitome of hospitality, you are welcome to enjoy a memorable stay.

Your participation will contribute significantly to the success of the Meeting!

We are looking forward to welcoming you in Athens!
